

FOR ACCOUNTANTS, BOOKKEEPERS & PAYROLL ADVISORS

Manage every client from one login — the **Advisor Centre™**.

The RosterElf Advisor Centre gives your practice a single, secure workspace for all your clients: rostering, timesheets, pay runs, Xero connections, your rewards and ready-made marketing — with the ability to log straight into any client account.

HOW IT WORKS

1
Add your clients

Bring each client business into your Advisor Centre. Earn a \$100 signup bonus per new client onboarded.

2
Manage rosters & staff

Build rosters and manage employees and award rules across every client from one place — or log straight in.

3
Run the pay runs

Track each client's pay period and payroll deadline, chase timesheet approvals, and export clean to Xero or MYOB.

4
Earn recurring rewards

Get paid monthly for every active employee you manage, and climb the reward tiers as your book grows.
