

FOR ACCOUNTANTS, BOOKKEEPERS & PAYROLL ADVISORS

Turn the rostering mess upstream of payroll into recurring revenue.

Most payroll problems start before the pay run: timesheets that do not match the roster, penalty rates applied by hand, approvals chased over text message. The RosterElf partner program pays you to fix that at the source — free to join, with a \$100 signup bonus per client and a monthly reward for every employee you manage.

WHY PRACTICES JOIN

Recurring monthly income

Earn from \$1.00 up to \$2.00 per active employee, every month, for as long as the client stays on RosterElf.

\$100 per new client

A one-off signup bonus for every client business you onboard, paid at every tier from Bronze to Diamond.

Cleaner payroll input

Award interpretation and approvals happen before the data reaches you, so pay runs need less rework and fewer corrections.

One login for every client

The Advisor Centre gives your practice a single workspace across all clients, with the ability to log straight into any account.

Listed in our directory

Accredited partners can be listed in the RosterElf accountant directory, where businesses look for local advisors.

Free, with no lock-in

No joining fee, no minimum number of clients and no exclusivity. Commission is paid by us, never charged to your client.
