

WORKFORCE MANAGEMENT, BUILT IN AUSTRALIA

One platform for rostering, time & attendance, payroll and HR.

RosterElf helps shift-based Australian businesses build compliant rosters, capture accurate hours, and send payroll-ready data straight to Xero and MYOB — so owners spend less time on admin and more time running the business.

WHAT YOUR CLIENTS GET

- 
Smart rostering
Build weekly rosters in minutes with Perfect Match® staff suggestions, availability, leave and live labour-budget guardrails.
- 
Time & attendance
Staff clock in by tablet kiosk or mobile with GPS and photo verification; real hours flow straight to timesheets.
- 
Award-interpreted payroll
Pay rates, penalties and allowances are calculated automatically and exported clean to Xero or MYOB — less rework at pay run.
- 
Complete HR FULL SUITE
Onboarding, digital contracts, policies, certifications and employee records — managed in the same system as the roster.
